

Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu

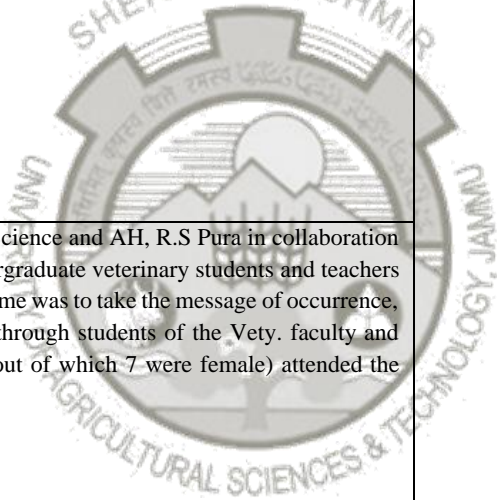

Chatha, Jammu-180009

Prof. B.C. Sharma
Principal Investigator/Coordinator - IDP

Weekly Progress Report from 11th July to 15th July 2022

| | |
|--------------------------|---|
| <p>Activity 1</p> | <p>School of Biotechnology in collaboration with NAHEP-IDP organized a felicitation function for the pass out batch of B.Tech.(Biotech) students on 12.07.2022. The main agenda of the programme was to advise the students to keep their targets high for achieving excellence in life and how personality development is important for improvement in all spheres of an individual. Coordinator SBT & Nodal Officer Academics, NAHEP IDP SKUAST-Jammu, presented a brief outline of the achievements made by the students and faculty of School of Biotechnology. The students have undergone project work in public and private sector institutes, including industries for completing their degree programme. The programme was organized in one of the smart class rooms developed under NAHEP-IDP in the Faculty of Agriculture. 20 students attended the programme out of which 18 were female students, 1 from SC and 17 from General category.</p>  |
| <p>Activity 2</p> | <p>Hon'ble Vice Chancellor SKUAST-Jammu took a review meeting of NAHEP IDP Project of SKUAST-Jammu 08.07.2022 to access the progress of the project inspect of establishment of the different units of the Project at the designated faculties of the University along with execution of the targets to be met under the stipulated objectives of the project. PI/Coordinator of the Project gave a detailed power point presentation on the project targets of financial year 2021-22 & their accomplishments. All the statutory officers of the university and Nodal officers of the project were the part of the meeting. The meeting was organized in the virtual class room developed under the NAHEP-IDP project at the office of Dean, Faculty of Agriculture, Chatha</p>  |
| <p>Activity 3</p> | <p>The Fisheries Unit of SKUAST Jammu organized an event in collaboration with NAHEP-IDP at the Dean Office, Faculty of Agriculture Chatha on the eve of National Fish Farmers Day on 08.07.2022. A practical training was given to students in rearing & handling of fish fry and fingerlings. Students were also appraised about the ingredients to be used in preparation of balanced diet mixtures to be fed to the fish for quality production. 19 students out of which 11 were female attended the event.</p>  |
| <p>Activity 4</p> | <p>Division of Veterinary Public Health & Epidemiology, Faculty of Veterinary Science and AH, R.S Pura in collaboration with NAHEP-IDP organized World Zoonoses Day on 06.07.2022 for the undergraduate veterinary students and teachers of School Education Department. The idea behind organization of this programme was to take the message of occurrence, symptoms & remedial measures for zoonoses diseases of animals to masses through students of the Vety. faculty and teachers of the education department. A total of 18 teachers & 17 students (out of which 7 were female) attended the programme.</p>  |
